WHAT'S THE LOOKOUT?
The big show has started. The curtain is up. Congress is now in session. Everyone here seems to agree that without the support of the Democrats, President Eisenhower's proposed legislative program hasn't a chance of going through. According to a report in the Congressional Quarterly, there were 83 roll call "tests" votes last time. (34 in the House, 49 in the Senate). Of these 83 votes, the President won on 74 of them. On 58 of these votes, he would have failed if it had not been for Democratic backing. How far of this Democratic assistance will he have this time? How far along with him will the Florida delegation go? We can't tell what they will do this time, but we can tell you how they voted last time.

Here is the roster of your Florida delegation. Clip it and save it for future reference. The percentages shown represent how they voted last time on the "Pro-Eisenhower" test votes, and are not their over-all Democratic party voting record.

SENATOR SPESARD HOLLAND of Bartow -- 84% Pro-Eisenhower -- Florida's Senior Senator, and former governor of Florida. First elected to the Senate November 5, 1946 and again in 1952.

SENATOR GEORGE SMATHERS of Miami -- 53% Pro-Eisenhower -- former special assistant to the Attorney General, served two terms in the House before being elected to the Senate November 7, 1950.

CONGRESSMAN COURTNEY CAMPBELL of Tampa, first district -- 81% Pro-Eisenhower. Serving his fourth term. He is a director of the First National Bank in Tampa and a leader in the citrus industry.

CONGRESSMAN CHARLIE BENNETT of Jacksonville, second district -- 62% Pro-Eisenhower. Serving his third term. He is a lawyer and a former member of the Florida State Legislature.

CONGRESSMAN BOB SIKES of Crestview, third district -- 54% Pro-Eisenhower. Serving his seventh term. A former newspaper publisher, he is Dean of the delegation and is referred to as "the lion" of the delegation.

CONGRESSMAN BILL LANZETTA of Miami, fourth district -- 66% Pro-Eisenhower. Serving his second term. He holds the spot in the House formerly occupied by Senator Smathers. He is a lawyer.

CONGRESSMAN SYD HERLONG, JR. of Leesburg, fifth district -- 55% Pro-Eisenhower. Serving his third term. He is a lawyer and formerly served as County Judge of Lake County. His place in Congress was held since the district was set up.

CONGRESSMAN JIM HALEY of Sarasota, seventh district -- 61% Pro-Eisenhower. He is serving his first term. He formerly headed the famous Ringling Brothers Barnum & Bailey Circus.

CONGRESSMAN BILLY MATTHEWS of Gainesville, eighth district -- 56% Pro-Eisenhower. He is a former school teacher and served one term in the Florida State Legislature.

Well, those are the men who represent Florida in Washington. Also, where they are from, how long they have been here, and how far they leaned toward President Eisenhower during the first half of the 83rd Congress. They all are Democrats. How will they vote this time? Their vote may make a difference in the President's program. It might even influence the course of history. Certainly, it will make interesting news for the next six months.

C of C Joins Fla. Planning Group

Another step toward bringing Pahokee adequate zoning and planning was taken this week when Chamber of Commerce board of directors voted to join the Florida Planning and Zoning Association.

GLADES 'LAW' KEEPING BUSY

Glades law enforcement officers had a hectic time early this week, with a robbery in Pahokee's colored town and two burglaries at large in the area.

Pahokee Police Chief Leon Guthrie arrested Charlie Williams, 59, for robbing The Yardstick store, less than an hour after he was notified of the burglary.

I Mindlin returned from Miami Tuesday afternoon and on opening the store discovered floorboards pried up and \$200 worth of clothes, watches, shoes and other articles gone. He called Chief Guthrie at 2:30, and at 3:30 the chief had Williams. Guthrie said the man admitted the theft, and will be tried in criminal court in West Palm Beach. Williams is a transient worker.

Pahokee Patrolmen Buck Humphries and Richard Sappington were put on the alert Tuesday during the search for the two Miami gunmen who burgled an Okeechobee store. The bandits were captured Tuesday afternoon at Boca Beach after leading Sgt. E. D. Dugger's Pahokee men and other Florida Highway Patrolmen, city and county police a merry chase for more than 12 hours.

Dimes For Polio Drive Under Way

The annual March of Dimes campaign, for funds to combat infantile paralysis, will be conducted in the Pahokee - Canal Point area this year by the Pahokee Women's Club, with Mrs. Blake Dunsen and Mrs. Don Stull as chairmen.

Herbert C. Gee, of West Palm Beach, is county campaign chairman, and said that the annual Mothers' March, the housewife's drive to raise contributions, will be staged Jan. 28.

The Dimes goal for Palm Beach County this year is \$90,000. Gee said that increased contributions are necessary this year in order that the county be able to pay its own way in the treatment of polio cases. In the past, he said, it has been necessary to "draw heavily on funds from the national foundation to defray the cost of hospital patients. In addition, the national foundation this year is launching an extensive drive in an attempt to defray the cost of hospital patients and funds are needed for research work and experiments with new type vaccines.

GLADES LIVESTOCK MARKET

Sale of Monday, Jan. 4
489 steers, 21 yearlings, 103 calves, 9 bulls, 171 cows, 2 heifers.

Slaughter: Steers: Good, 18-20-25; Coml. 16-20-17.75; Utility, 12-16-10.00; Cows: 12-15-12.75; Heifers: 12-15; Calf, 10-10-12.00; Calves: Good 16.50-19.50; Coml. 11.00-16.50; Utility, 8.50-13.00; Cows: 12-15-12.75; Heifers: 12-15-12.75; Bulls: 12-15-12.75; Calf, 11-10-12.50.

Stocks: Steers: 6.00-12.75; Heifers: 6.75-10.25; Calves: 7.75-13.75; Cows: 2.00-10.25. Prices shown above tell the story -- a good strong market. Fat cattle are scarce. The demand can not be met and the packers will pay as much as they can pay when your cattle are sold at YOUR AUCTION MARKET!

93% went to slaughter this week.

The statewide group has been very helpful in guiding such towns as Belle Glade and Delray Beach toward good zoning, board members were informed. C of C President Leonard Dobrow said his group hopes thus to back up and assist the city zoning board in future planning and setting up better zoning regulations.

Other developments at the C of C board's regular monthly meeting Monday night included: A report from Gordon Hillier and Manning Keen that the C of C's new signs guiding visitors to Lake Okeechobee would cost approximately \$50, with the board voting to go ahead with the signs.

A decision to ask Pahokee and Canal Point pharmacists to observe regular Sunday hours on an alternate basis, with window displays indicating which store would be open when, as well as requesting the pharmacists to keep Everglades Memorial Hospital informed on which was open each Sunday, so that the hospital could direct callers to the right store.

A report that Okeechobee's new C of C building cost only \$3,000 thanks to volunteer labor and purchase of materials at cost.

Final Rites For Judge Larrimore

Funeral services for Judge William James Larrimore, 87, pioneer resident of Pahokee, were conducted Monday afternoon at 2 o'clock at First Methodist Church, with the pastor, Dr. Rembert A. Guy, officiating. John A. Dalany, soloist, sang "The Uncolored Day" and "Rock of Ages," accompanied by Mrs. Wilma McClinton. Burial was at Port Mayaca Cemetery with members of Everglades Lodge F&AM 211 in charge. Wetherington Funeral Home was in charge of arrangements.

Mr. Larrimore was mayor of Pahokee for five years before he became justice of the peace in 1923, a post he held continuously until his death at 11:45 p.m. Friday at Everglades Memorial Hospital. He had been transferred there from a long struggle for amputation of his left leg, at St. Mary's Hospital in West Palm Beach.

He is survived by his wife, Mrs. Ida Larrimore, city librarian; one son, Arthur Larrimore, and five grandchildren.

JUNIOR SPORTSMEN'S CAMP HUNTED

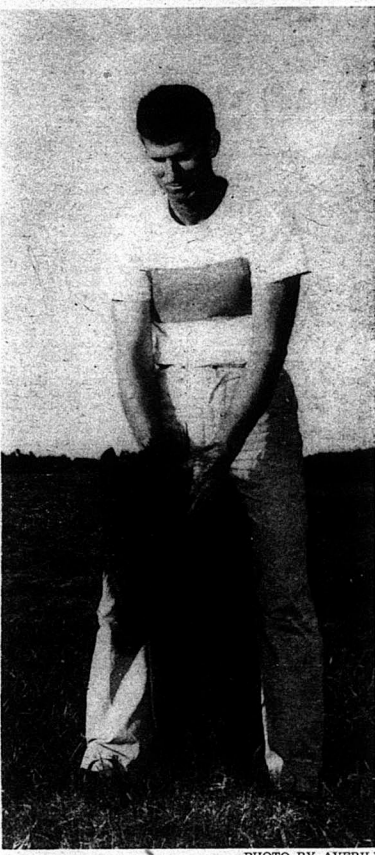

TALLAHASSEE -- The Game and Fresh Water Fish Commission announced yesterday that it is interested in finding a suitable location for the establishment of a permanent Junior Sportsmen's Summer camp.

At a recent meeting of the group in Ocala, the commissioners instructed Director Charles W. Pace to investigate the possibility of obtaining a camp site for the third annual camp to be held this summer for members of the Junior Sportsmen's Club. The Commission will discuss to secure reservations for a three-week session at some established camp this year, according to Pace.

The director added, however, that the Commission was also considering plans for the future when the Game Commission could have its own camp for these youthful conservationists.

Dr. E. C. Johnson addressed members of the Pahokee Rotary Club last week on the health conditions of the county, introduced by Elmer Jones. He discussed the program of the county health department in Pahokee, pointing out the activities of the clinics, in improving health conditions. President O. B. McClure presided.

JUNIOR - SIZE PONY FOR SAME SIZE BG RIDERS

Six feet and three inches of Dick Cherry tower over his two foot, nine inch pony.

The smallest pony in the Everglades -- and probably anywhere else, for that matter -- is starting passersby at Belle Glade Airport.

Weeks ago, Dick Cherry decided that his children should have a pony, but it had to be a small one because the oldest child, Kenneth, is a mere 6½, and daughters Ann and Frances are 2½ and nine months, respectively.

Cherry searched the state for a small equine item, but was unsuccessful. All horses, colts, and ponies were too big.

Finally, he heard about an Okeechobee family which had Shetland ponies, a breed hard to find in Florida. It took a lot of convincing for Cherry to get one of the two Shetlands in the Okeechobee family, but for \$100 he got the 10-month-old foal of the Shetland mare.

2 Feet, 9 Inches
The pony stands two feet nine inches high, and Cherry figures it won't grow more than another three inches because its mother stands only three feet high.

It has long hair, in the true Shetland characteristic. Cherry says many so-called "Shetlands" are really Welsh breeds, shorter-haired.

But this pony is the real thing, and the little Cherrys will start riding the miniature horse as soon as Dick finds a suitable saddle.

GLADES AREA NOW APPROVED FOR VA LOANS
The Pahokee and Belle Glade areas has, for the first time, been approved for direct home loans from the Veterans Administration, Veterans Service Officer Leonard C. Brown announced this week.

The loans, for which only veterans are eligible, are at 4½ per cent, not to exceed \$10,000, for 20 years. Brown said that further details may be obtained from Brown, the Glades service officer.

No Untagged Dogs To Roam Pahokee

This was "livestock control" week in Pahokee, with the city taking long-due action to get rid of the many unlicensed and stray dogs, and adding a reminder to horse riders to keep their animals off others' private property.

COUNCIL VIEWS SIDEWALK BIDS

City Council may award the contract to build the new sidewalks on the first blocks of Annona, Banyan, and Cypress Aves. Monday night having received bids at a special meeting last Monday.

Three bids have been turned over to City Engineer John T. Pickett and council members for study.

Four bids were opened Monday night. Geiger Lumber Co., \$10,275.75, rejected immediately because completion time was not included; Handley Construction Co., \$9,807.75, of which \$2,250 was for embankment, \$6,297.75 for walks, and \$1,260 for driveways, with construction estimated to take 45 days; Sam McKinstry, sr., low bidder with \$1,341.30, broken down to \$1,755 for embankments, \$4,758.30 for walks, and \$828 for driveways, with time of 30 days; and Bremer Construction, \$10,949.55, with \$2,940 for embankments, \$6,857.55 for walks, and \$1,152 for driveways, with a time of 45 days.

In other action, Council: Heard from Police Chief Leon Guthrie that house moving and heavy winter traffic don't mix and that a regular time should be set for house-moving at periodic intervals, and tabled the request until next meeting. Asked Chief Guthrie to investigate whether a caution light is available to be put at the corner of SE Third St. and Barfield Highway, at Vic Geiger's request.

Passed a resolution in memorial to Judge W. J. Larrimore who died last week.

Heard the Bank of Pahokee's request for extra reserved space for customer parking and referred the matter to the City of Police to be worked out between the police department and the bank.

JIMMY SCHOEPEL DRIVING WINNER

Jimmy Schoepel won the Pahokee high school driver education competition this week, and will go to Ft. Lauderdale, Fla., to compete in the district driving contest. Driver Education Instructor W. A. Slauter announced this week.

Sgt. E. D. Dugger said he had a possible 300. Runner-up and alternate is Mary Helen Wilson, of Canal Point, with 279 points. Slauter said Miss Wilson will accompany Schoepel to the Ft. Lauderdale competition.

The driving contest, part of the statewide driver education competition being sponsored by the Florida State Fair with the approval of the Florida Highway Patrol, has as its grand prize a new car to be awarded after the finals at Tampa in February. Winners of the Ft. Lauderdale district contest will go to Tampa.

Other high-ranking contestants in the driver tests this week were Donald Waddell, with 278; Donald Pickett, 276; Judy Singling, 268; and Kay Mauldin, 262.

Weir Tells CP Lions About Hospital \$ \$

Harry Weir, administrator of Everglades Memorial Hospital, was guest speaker at the Point Lions Club Monday night. He spoke on hospital administration and how the hospital dollar is used. The speaker was introduced by Albert Fremd, program chairman.

The dog situation is to be remedied immediately, city officials said, by the following steps:

- (1) All dogs over six months of age running unlicensed will be picked up and turned over to the Animal Rescue League;
- (2) Dogs not inoculated against rabies must get their shots, and the city will arrange a time and place in town for the convenience of persons whose dogs are not yet inoculated;
- (3) Stray dogs are to be reported by notifying the City Clerk's office so that pick-up crews can be on the watch for them.

Dog licenses are required for all dogs over the age of six months. Cost of the licenses is \$2 for females and \$1 for males. Tags may be bought at the City Clerk's office.

Dogs picked up during the drive will be given good treatment and will be held at city pound for a short period before they are turned over to the Animal Rescue League, so that owners may reclaim them by pre-paying a license and tags.

Horse owners and horseback riders are asked by the city to keep their animals off lawns, flower beds and shrubbery, and out of planted fields. Some complaints have been received by members of council and at City Hall, and the city fathers have asked that horsemen control their animals or the city will be forced to do it for them.

Angus Sale At Market Jan. 16

Service area Aberdeen-Angus bulls--the kind Florida cowmen have been wanting for their large kind of bull--are available at the Glades Livestock Market Jan. 16 in the first of three sales which will be held in the "Town" section of the Aberdeen-Angus Association.

"Last year a lot of bulls were brought in from out of - state by traders, and in many cases these bulls were of the quality we would like to see sold in Florida," Jim Ousley of Gulfstream Farm at Fort Lauderdale, sales manager reported. He pointed out that this year's sales are an effort on the part of the Florida association to make sure the right kind of bull are available at auction to Florida ranchers. The other sales will be at Ocala in February and in Quincy in March.

Starts At 1 p.m.
The local sale will be held at the Glades Livestock Market starting at 1 p.m. on Saturday, Jan. 16, with Col. Robert D. Cooper of Sarasota auctioneer, George Young, manager of the Belle Glade market, is assisting Ousley with arrangements.

Many of the bulls will be consigned by Florida breeders, while others will come from top Florida herds, Ousley says. Fifty bulls or more will be offered.

Among the consignors will be Gulfstream, Lakeview Farm at Lakeland, Sun Lake Farm at Turkey Ford Ranch at Lutz, Emerald Acres Ranch at Orlando, Groveland Farms at Lake Wales, and Pine Rest Ranch at Moore Haven.

Teen Town Opening Tonight: 7:30

"Teen Town" for students in the Pahokee - Canal Point area will open tonight at the American Legion home.

This is the first Pahokee high school student council will operate Teen Town, with adults from the Parent-Teacher Association, and the school's advisers, according to PTA President Mrs. E. A. Jensen. Membership tickets are being sold at the schools this week for the "Town" sessions. Events will begin tonight at 7:30.

And A Little Child

The movie-style cops and robbers chase from Okeechobee through four counties here this week brought us a sharp reminder of something far removed from crime.

We were reminded again of the impressionable minds of children and the care we as adults must take to help form those minds the right way.

This is what the warnings issued about the Okeechobee robbers being at large brought, from a little girl who was badly frightened when she heard about it at school:

"I love the Lord God.
I will save any little child or big
I will put anything in paper to save some body
life. Please help me worn every body
I can from being Kill. Please help me put in
The Pahokee News

Love Chee-Chee Cate
Address
Chee-Chee Cate

Thank you"

The little girl wrote her plea unbeknownst to her mother, Mrs. Robert Chamberlain, and it was found in her papers after she spent a sleepless night worrying about a "big man who is going to kill somebody."

We wish Chee-Chee had never heard about the robbers being temporarily at large. We hope she's over her fright.

And as we said, we were reminded again that we grown-ups have to be very careful what we do to the young minds which absorb so quickly and get wrong ideas so rapidly.

BY SCHATZI

Somebody asked me what I thought of the new city planning for street work, more sidewalks, and new firetrucks.
I said I wouldn't lift a leg against it.

There's nothing so encouraging to a dog, as the prospect of more paving, so's to keep one's toenails filed down by constant contact with concrete surfaces.

There is one item, however, which worries me a little.

Scratching through the handouts from a West Palm Beach news service, I found that the county commissioners have instructed the county engineer "to make arrangements with the State Road Department and a contractor it has in the Canal Point area for the resurfacing of a block of Barfield Highway running through that town."

Now I'm all confused again like that time we were living at the wrong street address.

Having lived in the Abbey apartment on Barfield Highway,

I was pretty darned sure I was living in Pahokee. And heaven knows how often I used to visit around with the Barfield ladies and Mrs. Powell.

But now I find that Barfield Highway was in Canal Point all the time.

What I want to know is: WHERE DID I LIVE LAST YEAR?
Or did I?

NOTICE TO ALL DOGS!

January 4, 1954

Dear Editor:
Congratulations on the fine Christmas issue of the NEWS. The "Christmas Carol" section was well done and certainly was one of the best "specials" of any of the many Florida weeklies that come our way.

Best luck for a new year.
Sincerely,
Win Pendleton

Dear Editor:
Words cannot express our appreciation of your efforts in making the Aunt Jemima pancake Picnic such a tremendous success.

By your generous contribution of time, effort, and money many more crippled children will have the care which they so justly deserve for it is by the assistance of the strong and healthy to the handicapped that makes America the fine place it is.

On behalf of the Palm Beach County Crippled Children's Clinic and its president, Mrs. Wiley R. Reynolds, sr., may God bless you and give you a most Happy and Prosperous New Year.

Yours, in Faith,
Kenneth P. Foster

BILLY GRAHAM

December 19, 1953

Dear Editor:
Greetings at this season of the year! During the past year we have thought of you a thousand times and thanked God for your friendship.

During the past two months Jerry Beavan has been in England, preparing for our campaign that begins there Monday night, March 1. As you already know, less than five per cent of the English people attend church, and in London it is only two per cent. This fact is showing up in the political and economic life of Britain, and many religious and political leaders feel that a spiritual renaissance is absolutely necessary for the preservation of Britain. In almost desperation, they have turned to us for help. A few weeks ago I had the privilege of spending an entire hour with Secretary of State Dulles, laying before him all of our plans. He is most enthusiastic and has promised the full support and cooperation of the State Department. About a month ago I spent thirty-five minutes alone with the President at the White House. Very carefully and prayerfully I laid before him all of our plans. He was extremely interested and has promised his help in several areas.

It will be the largest united religious undertaking that London has seen in over eighty years. Harringay Arena, seating 12,000, has been rented. However, we are going to hold scores of meetings daily in various parts of London. We are taking twenty-seven members on our team, among whom are Roy Rogers and his wife, Dale Evans, from Hollywood; his famous horse, Trigger, also will be along. Roy has 250,000 boys and girls in his fan clubs in London alone. He should attract thousands of unchurched people. Senator Frank Carlson has also promised to go for a short period of time to give his testimony to the political leaders in England. Don Moorman, the great All-American football player from Southern California for the past three years, is going to work among the athletes in London. These are only a few of the outstanding personalities that we are taking.

There are about ten daily newspapers in London, each one of them having a huge circulation. It is going to be extremely difficult to crack these papers that have such limited space unless we get help. It is thought by the few press contacts we have that if American papers show an interest in this campaign, it will have a reaction in Britain—and that they too, will become interested.

We will keep you informed on all developments.
God bless you, and Merry Christmas!

Cordially,
Billy Graham

Mrs. Frank Friend and Mrs. Leon Spooner are in charge of program arrangements. A color film will be viewed at the Prince Theatre following the luncheon, entitled "Water Birds." Mrs. Joseph Kahn is chairman of luncheon arrangements.

NOTICE

TO ALL HORSEBACK RIDERS

There have been numerous complaints about private individuals riding horses and causing damage to crops, shrubs, and yards of local residents.

This is a very serious situation, and if it continues, there will be an ordinance passed regulating and controlling horseback riding in the city limits of Pahokee except for commercial use.

The '54 BUICK's got it—

The BIG CHANGE you've been hoping for!

Example of the 1954 Buick's year-from-now styling in this stunning new Super Riviera

THE instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model changeover. Here is vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roofline—in the host more glamor features of exterior modernity.

They upped all horsepower to the highest in Buick history.

They engineered a new V8 for the SPECIAL—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

BUICK the beautiful buy

They brought to market a sparkling new-comer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why the Detroit previewers are already saying, "Buick's the beautiful buy!"

When better automobiles are built Buick will build them

Announcing for '54 NEW FORD TRUCKS with TRIPLE ECONOMY!

115-HP. COST CLIPPER SIX 130-HP. POWER KING V-8 152-HP. POWER KING V-8 152-HP. CARGO KING V-8 170-HP. CARGO KING V-8

NOW! 5 Ford engines offer the mightiest concentration of power per cubic inch ever in any truck line! V-8 and SIX!

For the power they develop, the engines in the 1954 Ford Truck line have less cubic inch displacement than engines in other-make lines. For example, Ford's 239 cu. in. Power King V-8 develops its 130 h.p. on as much as 43 cu. in. less displacement. Smaller-displacement engines normally need less gas! That's one big reason why Ford concentrated power offers greater economy!

Ford takes the lead in ALL 3 vital factors that make for lower-cost trucking!

1. Now, only in Ford Trucks—gas-saving, LOW-FRICTION, high-compression, overhead-valve, deep-block engines in all truck models! 115- to 170-h.p.!
2. New Drivenized Cabs, Master-Guide Power Steering, Power Brakes, Fordomatic Drive for faster control!
3. New greater capacity! New Factory-Built "6-wheelers," gross up to 48% more!

Good time to look both ways!

Along about now Southern Bell folks like to look back at the year's record of telephone growth, and ahead toward our job of providing more and better service for Florida.

1953

A net gain of more than 58,000 new telephones was made, making a total of more than 620,000 in the state. Over \$31,000,000 were spent in providing cable, central office and other equipment to improve and expand the service.

1954

Wherever you look, Florida is moving ahead. This means another busy year for us—building to meet continuing telephone needs.

To get investors to supply the money to continue expanding and improving telephone service requires a fair profit on the money already invested in telephone equipment.

JOHN B. KINCAID, Florida Manager

The new Fords arrived at Elliott Motors this week. Shown above is Ford's completely new 1954 Crestline Skyliner, featuring a transparent, plastic top over the driving compartment, giving the illusion of riding in a convertible with the top down but retaining the weather protection of a hardtop model. The strong, molded sheet of plastic is tinted a neutral blue-green to block out 60 per cent of the sun's heat rays and 72 per cent of the glare. If needed, a sunshade to match the underside of the top lining can be snapped in place. Covering the entire front seat compartment, the plastic top is mounted on a weather-tight rubber seal and is framed with a bright metal molding. Gold plastic panels at the sides of the rear window have a waffle design and bear the Ford emblem in colors. The bright metal moulding across the top of the rear window is ornamented with black insets and serrated body belt moldings have the word "Skyliner" inset in black enamel.

CHURCH NEWS

WSCS MEETS

"Sowing Seeds of Love" was the subject of the devotional and program of First Methodist Church WSCS Monday night, presented by members of Mary Martha circle, directed by the program chairman, Mrs. John A. Dulany.

Mr. Don Hall and Mrs. James G. Thomas, Jr. presented the program, centering around "Love for God" and "For One's Neighbor." Mrs. W. A. Slaughter read the Scripture lesson from the 13th chapter of 1st Corinthians. Mrs. Corley Watson led the hymns and Mrs. R. H. Hurt accompanied on the piano. Mrs. Leon Spooner assisted by Mrs. Tom Davis and Mrs. Watson, presented Mrs. Rembert A. Guy with a large decorated box of delicacies from the society members, as an expression of love. Mrs. John Elton served as hostess chairman.

Mrs. Arch Blakey, president, announced that a Wesley Foundation dinner will be held at Belle Glade Methodist Church on Feb. 12. A letter of appreciation and thanks for the contribution gift of \$100 was read from Mrs. Donald Padgett of Loganville, Ga., by Gertrude Shirley circle chairman, Mrs. Clyde Alley. A total of \$755.80 was reported in the treasury. Mrs. R. F. Hurt, chairman of Mary Martha circle, was presented the attendance pin. Mrs. C. C. Lemonds was welcomed as a new member.

The Senior and Vesper choirs of First Methodist Church presented Mrs. Pauline Rice, who has been very helpful to the choir members by their choir robes, with a scarf and a piece of luggage, as a Christmas gift of appreciation.

A motion picture entitled "Shields of Faith" will be presented at First Methodist Church Sunday evening, Jan. 10, according to Dr. Rembert A. Guy, pastor.

GOOD CITIZENSHIP GROUP TO MEET SUNDAY

The Glades Good Citizenship League will meet at the Community Methodist Church, Belle Glade, at 3 p.m. Sunday.

This league has representatives from Canal Point to Lake Harbor. Rev. John Cooper of the Baptist Church, South Bay, is president.

The league's purpose is to provide education on the use of alcoholic beverages; work for the passage of municipal laws regulating the sale of alcoholic beverages; and enforcement of alcoholic beverage laws. All persons interested are urged to attend this meeting.

Mr. and Mrs. Daniel C. Padgett of Belle Glade were welcomed into the fellowship of First Methodist Church membership Sunday, by the pastor, Dr. Rembert A. Guy and the church members. The pastor announced that the letter of Dr. Sasser Watson who is now in military service and at sea, had been transferred to the First Methodist Church of Pahokee from an Atlanta, Ga. Methodist church. He is the son of Mr. and Mrs. Ronald Watson.

WSWN DEVOTIONALS

Pastors to present the morning devotional on radio station WSWN during January and February at 9:30 a.m. Monday through Friday are: Jan. 4-8, Wm. C. Wood, First Methodist, Moore Haven; Jan. 11-15, Quay Rice, First Methodist, Clewiston; Jan. 18-22, L. M. Collins, First Baptist, Clewiston; Jan. 25-29, R. E. Ford, Presbyterian, Belle Glade; Feb. 1-5, U. W. Malcolm, First Baptist, Belle Glade; Feb. 8-12, E. W. Kelling, Assembly of God, Belle Glade; Feb. 15-19, R. L. '54 FORD the "worth more" car declares a dividend

STYLE DIVIDEND

3 distinctive lines
— 14 brilliant body styles

YOU'LL FIND THAT EACH new feature in the '54 Ford is an extra dividend in driving enjoyment... establishes the '54 Ford, even more in '54, as the "Worth More" car. You get a special dividend in styling with Ford's distinctive new appearance. You get sparkling new interiors, too, that are a dividend in themselves. And each of the new Fords gives you special dividends in ride and performance... with new Ball-Joint Front Suspension, the greatest advance in chassis design in 20 years... with your choice of Ford's new low-friction Y-block V-8 or I-block Six, the most modern engines in any car today! With 28 brilliant new models to choose from, you'll find the exact car to suit your tastes and requirements. Come in... See and Test Drive the '54 Ford.

New Ball-Joint Front Suspension

This revolutionary new suspension is exclusive to Ford in its field. It allows greater up and down wheel travel for a smoother ride. And it helps keep wheels in true alignment for consistently easy handling. Movement of wheels is on ball joints, whether in or down, whether in or down, whether in or down motion—right or left.

PERFORMANCE DIVIDENDS	
The new 130-h.p. Y-block V-8 OVERHEAD VALVES DOUBLE-DECK INTAKE MANIFOLD HIGH-TURBULENCE COMBUSTION CHAMBERS SHORT-STROKE, LOW-FRICTION DESIGN	The new 115-h.p. I-block SIX OVERHEAD VALVES HIGH-TURBULENCE COMBUSTION CHAMBERS 4-PORT INTAKE MANIFOLD SHORT-STROKE, LOW-FRICTION DESIGN

The greatest engine advances since the original FORD V-8

BOTH NEW 1954 Ford engines... the Y-block V-8 and the I-block Six... have overhead valves for most efficient high-compression operation on today's fuels. Valves are free-breathing to give you the most GO... free-turning to set tightly and maintain high compression. Both engines have a deep-cast block with skirt that extends well below the crankshaft for greater strength and rigidity... smoother, quieter performance and

extra-long engine life. Their modern short-stroke, low-friction design cuts friction losses... gives you more usable horsepower, more miles per gallon of gasoline. New high-turbulence combustion chambers assure a more thorough mixing of fuel and air for faster, more efficient combustion. Plan to Test Drive a '54 Ford. You'll find these new Ford power plants are the greatest engine advances since the original Ford V-8.

Plus five optional power assists* you might find only in America's costliest cars

 Master-Guide Power Steering It does up to 75% of your steering work for you, makes parking a pleasure, leaves you with the normal feel of steering on the straightaways.	 Swift Data Power Brakes Power does up to one-third of the work of stopping for you. You are less fatigued, more relaxed, in the stop and go driving of congested traffic.	 Power-Lift Windows Windows open or close at the touch of a button under each window or on left front door. Driver may operate any of the four Power-Lift Windows.	 4-Way Power Seat Push one of two controls and the front seat goes up or down... push the other and it goes front or back. It's a real convenience and comfort feature.	 Automatic Drive You get the smoothness of a fluid torque converter plus the instant "kick" of an automatic intermediate gear. Ford also offers gear-saving Overdrive.

C.P. PTA DISCUSSES 'YOUTH AND CRIME'

"Youth and Crime" was the subject discussed at the Canal Point Parent-Teacher Association meeting Monday night with the program chairman, Phelix Slonaker, directing the forum. It was announced that the PTA will sponsor a benefit basketball game to be played in February by the Pahokee B team and the Stuart B team, with Coach William Howard in charge of arrangements. The seventh grade won the attendance banner. Mrs. L. P. Parker, Mrs. Earl Maxson and Mrs. Angus Sims were refreshment hostesses.

CAP TO HAVE SEARCH MISSION

The Glades Civil Air Patrol will have a simulated search and rescue mission Sunday, Jan. 17, the flight decided at a meeting Wednesday night.

The group will gather for an 8 a.m. breakfast cooked by Vic Geiger. There will be a briefing at 8:30 a.m. Six planes are assigned to the mission, out of Belle Glade Airport. Geiger and Bennie Weeks will accept breakfast reservations at \$1 per person.

Carol Carpenter, flutist, and Frances Wilson, trombonist, left yesterday with Band Director Robert O. Lampi to attend the State band clinic today and tomorrow at Tampa.

Tomorrow night they will play in the all-state band concert at Ft. Hesterley Army. Miss Margaret Powell, music instructor, is attending the state session to observe choral work.

CP SCHOOL HAS BIG ENROLLMENT JUMP

Canal Point school, which enrolled 139 students the opening day of school last fall, now has 172 students, an increase of approximately 20 per cent, Principal Clyde Alley reported yesterday.

The new duplicator purchased for the school by the Parent-Teacher Association has arrived. Alley also reported that the playground committee has bought about \$135 worth of new and replacement equipment.

BARBER INFANT DIES WEDNESDAY

Lyle Anthony Barber, 23-day-old son of Mr. and Mrs. Joseph H. Barber, died Wednesday afternoon a few hours after being admitted to Everglades Memorial Hospital.

Funeral services were held at 1:30 p.m. yesterday at Wetherington Chapel, with Elder W. H. Ludwig of the West Palm Beach Seventh Day Adventist Church officiating. The baby leaves his parents, a half sister, Doris, of Orlando, and grandmother, Mrs. J. H. Barber, of Chosen.
